# ELIMINATE YOUR TOUGHEST PET ODORS AND STAINS

Over 15 years ago a chemist developed an amazing odor elimination and cleaning agent. It was crafted using a powerful and highly concentrated formula, ideal for commercial and industrial applications.

That remarkable cleaning agent has been reformulated for home use and is now available in a product called Dazzle Fresh.

Non-toxic, harmless to pets and kids, safe on carpets, floors and fabrics.

- Completely safe and environmentally friendly.
- 100% biodegradable and phosphate free.

Safe for Use Around Children and Pets

## PATENTED ODOR COUNTERACTANT

Dazzle Fresh comes in a Ready to Use 32 fl. oz. Bottle with an easy to use trigger sprayer.

Our patented odor counteractant permanently eliminates odors by physically changing their molecular structure.

Eliminates odors on contact leaving behind a refreshing Early Spring Scent.

Dazzle Fresh works wonders with hard to remove pet stains.

- Use it directly on ALL hard and stubborn stains.
- Highly effective when used with professional shampoo or extraction machines.

Delivering High Profit Margin

## ACHIEVE HIGHER PROFIT MARGINS

The competitive Dazzle Fresh price structure provides retailers, distributors and brokers with excellent profit opportunities.

- Outstanding Sales and Marketing Support Programs.
- Lower Units Cost and Higher Inventory Turns.
- Increased Revenue and Profit Margin.

Dazzle Fresh offers superior product performance at a lower price point, providing the sales channel with higher net margins.
